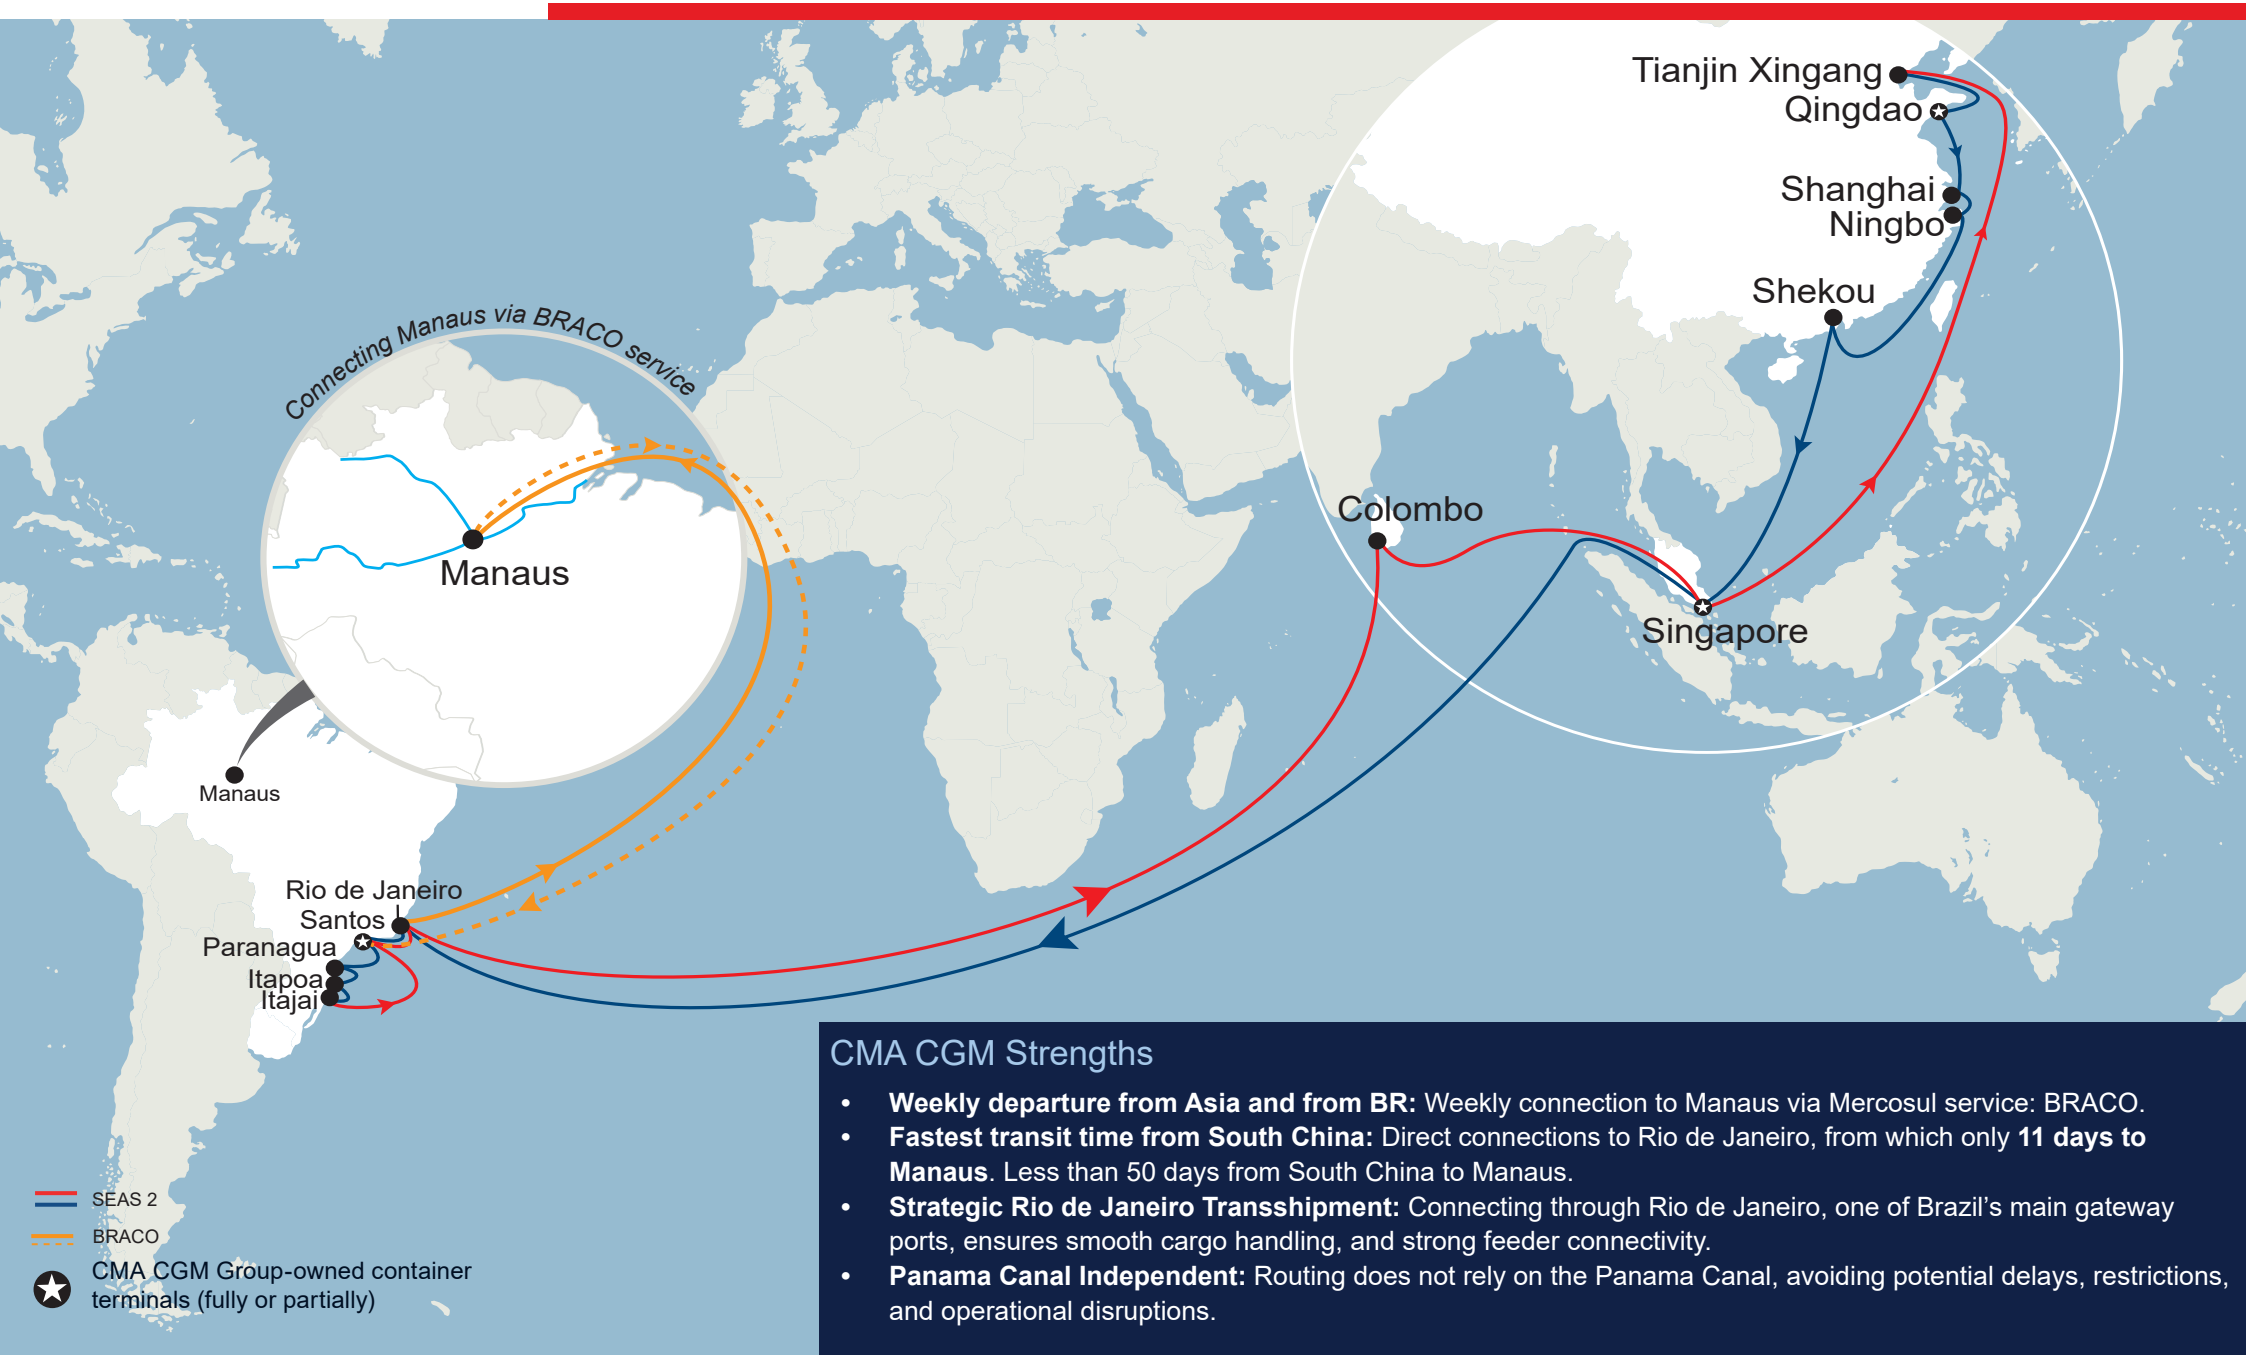
SEAS 2 - FOCUS MANAUS

CMA CGM weekly service connecting Far East and Manaus



CMA CGM Strengths

- **Weekly departure from Asia and from BR:** Weekly connection to Manaus via Mercosul service: BRACO.
- **Fastest transit time from South China:** Direct connections to Rio de Janeiro, from which only **11 days to Manaus**. Less than 50 days from South China to Manaus.
- **Strategic Rio de Janeiro Transshipment:** Connecting through Rio de Janeiro, one of Brazil's main gateway ports, ensures smooth cargo handling, and strong feeder connectivity.
- **Panama Canal Independent:** Routing does not rely on the Panama Canal, avoiding potential delays, restrictions, and operational disruptions.
