

# COVID-19: Situation in Switzerland (Update week 14)

The current COVID-19 Outbreak spread is affecting the whole supply chain worldwide, raising potential major challenges.

The CMA CGM Group's priority is to ensure the health and safety of our staff members and partners, while ensuring a smooth business continuity despite the current extraordinary disruptions. We remain determined to ensure the delivery of a seamless customer experience, as much as the current conditions allows it.

On this page, you will find all the necessary information about Switzerland and our dedicated team of experts remains at your disposal to provide you with tailor-made solutions.

## Business Continuity Plan

In line with the directives from the Government and from the CMA CGM Group, our staff members in Slovakia are now working remotely.

We have activated our Business Continuity Plan and are operating in full capacity.

Our **Basel Office** is closed, however, the office can be reached by post

Our team is available by email and on their usual office numbers / mobile phones.

## Operational situation in Switzerland

All our services are operational.

Our terminals and depots are fully functional.

## Make use to the largest extent possible of the numerous e-business opportunities CMA CGM can offer on My CMA CGM

While governments worldwide are encouraging people to stay at home to limit the spread of the Covid-19, you can continue managing your shipments remotely thanks to our ebusiness platform [My CMA CGM](#).
