## CMA CGM IN AFRICA

The CMA CGM Group has significantly invested in Africa to offer customers a comprehensive range of maritime and inland services. This range is supported by a network of dedicated agents present in each country, reinforced by a Regional Office located in Durban (South Africa).

By ensuring **quality products and services**, CMA CGM supports both its African customers and the expansion of new markets through its expansive global connections.

In addition to direct line services, the Group offers:

- **11 feeder services** that contribute to trade development between West, East, Southern Africa and the Indian Ocean
- **Relay services via 4 Hubs:** Tanger-Med and Algeiras for West Africa, Khor Fakkan and Port Kelang for East Africa.
- A renowned expertise in **Reefer transport** from -35°C to +30°C with a dedicated Reefer Desk.
- A unique know-how in **XXL cargoes** to take over any oversize cargoes and ensure a safe transport depending on their type and size.

Since 2001, the CMA CGM Group has made **Africa one of its strategic priorities**. Thanks to a **comprehensive agency network**, local teams' expertise and expanding inland services, today the Group is a recognized transport leader in Africa.

CMA CGM continuously reviews its local offer: **new direct calls, competitive transit times and innovative transport solutions** to/from the world (shipping, rail, road). In-house locally based **expert teams** provide the flexibility and acute knowledge of African markets to deploy tailor made solutions.

## A STRONG INLAND AND LOGISTIC OFFER

In addition to maritime transport, the Group also provides a full range of inland and logistics services to connect all coastal and landlocked origins/destinations, to the world:

- **Comprehensive Intermodal services** offer carrier haulage combining multimodal transport by rail and road without intermediate reloading from ports toward the final inland destinations and from the loading point toward ports.
- **Integrated logistics services:** its subsidiary CMA CGM LOG offers international transport and logistics solutions such as customs clearance, freight forwarding, packaging, storage.
- **High quality Inland services:** its entity CMA CGM INLAND SERVICES (CCIS) is established in 7 countries (Burkina Faso, Cameroon, Ivory Coast, Madagascar, Mali, Senegal, South Africa) offering warehousing, container platforms, inland transport and landside services.

The Group has also made **strategic investment in 4 port Terminals** (Kribi in Cameroon, Lekki in Nigeria, Abidjan in Ivory Coast, Pointe des Galets in Reunion Island) to facilitate operations in Africa.
