

CO₂ 70 g per TEU-km*

CMA CGM Strengths

- Weekly dedicated service between Middle East, Red Sea and East Med areas (Egypt, Turkey and Greece).
- Very competitive transit time from/to direct ports and much improved transit time between Gulf and Med.
- Reliable service for connections from/to East Africa, India / Pakistan, Adriatic and Black Sea.
- Combination with CMA CGM main liner services and feeder system for a wide coverage through our main Hubs (Tripoli, Jebel Ali, Port Said).
- Additional call in Hamad, Dammam, Jubail offering a direct access to Qatar & Saudi Arabia Gulf market.
