BILL OF LADING PAPERLESS

A game changer for the shipping industry that enables faster and more efficient transactions with the same legal value as a traditional B/L. Transfer your PAPERLESS BILL OF LADING online to the next party in just one click!

YOUR BENEFITS

send the PAPERLESS BILL OF LADING with a click and surrender it instantly to the carrier.

NO POSTAGE COST

Eliminate the hassle of sending hard-copy documents.

AN ECO-FRIENDLY SOLUTION

Reduce the amount of paper required to manage your operations.

SPEED UP YOUR SHIPPING PROCESS

Easier documentation management: quickly

HOW DOES IT WORK?

- You and your consignee simply register on our BILL OF LADING PAPERLESS platform.

- The Bill of Lading will be transmitted electronically. It retains legal value and can be instantly transferred between parties.

- The BILL OF LADING PAPERLESS has the exact same function and follows the same steps as a traditional paper Bill of Lading.
