

Update: Columbus Suez service: New port call at Halifax

Effective August, 2015

Dear Valued Customer,

Pursuant to our previous advisory on our **Columbus Suez** service calling Halifax directly on its regular rotation, we are pleased to announce that the service will now call Halifax weekly as opposed to CMA CGM vessels only. We are confident that this new call and the fixed day weekly frequency will strengthen the service by providing another option into the key markets of Toronto and Montreal.

Please note the main features of this new service:

- Only direct service between South China/Vietnam/Malaysia and Halifax
- Extensive feeder services in South East Asia and the Indian Sub-Continent
- Largest vessels calling the East Coast of Canada
- Direct rail service between Halifax and Montreal/Toronto with a 4 day transit from discharge to arrival

Halifax Import transit times are as follows:

To/From	Shanghai	Hong Kong	Yantian	Vung Tau (Ho Chi Minh)	Port Kelang
Halifax	32	28	27	26	23

Halifax Export transit times are as follows:

From/To	Port Kelang	Vung Tau (Ho Chi Minh)	Hong Kong	Yantian	Shanghai	Ningbo	Busan
Halifax	43	46	48	50	54	55	57

We have already commenced servicing Halifax with CMA CGM operated vessels as our first call was on August 3rd, 2015 with the **CMA CGM Vivaldi v. 029USS**. Regular weekly calls on all ships within the service will begin with the **CMA CGM Titus v. 065USS**, sailing Shanghai on September 2nd 2015 and arriving in Halifax on October 4th, 2015.

Canada landside information as follows:

Terminal: Halterm Ltd.
Intermodal Service: CN Rail

We appreciate your continued support and will continue to fine tune our service offerings to ensure the best possible product to our clients.
