Notwithstanding the foregoing, where any applicable compulsory law provides to the contrary, the Carrier shall have the benefit of every right, defence, limitation and liberty in the Hague Rules as applied by this Clause during such additional compulsory period of responsibility, notwithstanding that the loss or damage did not occur at sea. Notwithstanding anything else in this Bill of Lading to the contrary, on shipments to or from the United States, the rights and liabilities of the parties shall be subject exclusively to US COGSA which shall also govern before the Goods are loaded on and after they are discharged from the Vessel provided, however, that the Goods at said times are in the custody of the Carrier or any Sub-Contractor.

(2) Combined Transport

(a) With respect to rail or road Carriage within a State other than the United States, then liability shall be determined in accordance with the internal law of such State and/or any International Convention which is compulsorily applicable by the laws of such State. Notwithstanding the foregoing, in the event there is a private contract of Carriage between the Carrier and any Underlying Carrier, such Combined Transportation will be governed by the Terms and Conditions of said contract which shall be incorporated herein as if set forth at length and copies of said contract(s) shall be available to the Merchant at any office of the Carrier upon request.

(3) Agency

Whenever the Carrier undertakes to accomplish any act, operation or service not initially agreed or mentioned on this Bill of Lading, he shall act as Merchant's agent and shall be under no liability whatsoever for any loss or damage to the Goods or any direct, indirect or consequential loss arising out or resulting from such act, operation, or service. In any event the Carrier and its Sub-Contractors shall be discharged from all liability in respect of non-delivery, mis-delivery, delay, loss or damage unless suit is brought within one (1) year after delivery of the Goods or the date when the Goods should have been delivered.

8. LIABILITY PROVISIONS

(1) Basis of Compensation

Without prejudice to any applicable limitation of liability in accordance with the provision set forth in sub-Clause 6 hereof, the basis of compensation shall be limited to the value of the Goods so damaged or lost (excluding insurance, custom fees, taxes, Freight and retail value). The value of the Goods shall be determined by reference to the commercial invoice or the custom declaration. In no circumstance whatsoever, the Carrier shall be responsible for indirect damage, loss of profit or consequential damage.

(2) Ad Valorem Liability

The Merchant agrees and acknowledges that the Carrier has no knowledge of the value of the Goods, and that compensation higher than that provided for in this Bill of Lading may not be claimed unless, with the consent of the Carrier, the value of such Goods is declared by the Shipper prior to the commencement of the Carriage and is stated in writing on this Bill of Lading and extra Freight is paid. In such a case, the amount of the declared value shall be substituted for the limits laid down in this Bill of Lading. Any partial loss or damage shall be adjusted pro rata on the basis of such declared value. In any event, the compensation shall not exceed the actual commercial value of the Goods as defined in Clause 8 (1).

(3) Delay

The Carrier does not undertake that the Goods shall arrive at the Port of Discharge or Place of Delivery at any particular time or to meet any particular market or use and the Carrier shall in no circumstances whatsoever, and however arising be liable for direct, indirect or consequential loss or damage caused by delay. If notwithstanding the foregoing the Carrier is held responsible of any delay, it is hereby expressly agreed that the Carrier's liability shall be limited to the ocean Freight paid under this Bill of Lading for the delayed Goods, exclusive of local charges and/or demurrage.

(4) US COGSA limitation to US carriage

When the Carriage is to or from the United States of America as stipulated in Clause 6 (1), and unless the nature and value of the Goods is declared on the back of the Bill of Lading in the condition set out in Clause 8 (2), the Carrier's limitation of liability in respect of the Goods, shall not exceed US\$ 500.00 per Container, package, bundle, pallet, or other unit, or when the Goods are not shipped per container, package, bundle, pallet or other unit, US\$ 500.00 per customary Freight units.

- (e) load or unload the Goods at any place or port (whether or not such port is named overleaf as the Port of Loading or Port of Discharge) and store the Goods at any such place or port,
- (f) comply with any orders or recommendations given by any government or authority, or any Person acting or purporting to act as or on behalf of such government or authority, or having under the terms of any insurance on any conveyance employed by the Carrier the right to give orders or directions.

(2) The liberties set out in Clause 9 (1) may be invoked by the Carrier for any purpose whatsoever, whether or not connected with the Carriage of the Goods, including loading or unloading other Goods, bunkering, undergoing repairs, adjusting instruments, picking up or landing any Persons, including but not limited to persons involved with the operation or maintenance of the Vessel and assisting Vessels in all situations. Anything done in accordance with Clause 9 (1) or any delay arising therefrom shall be deemed to be within the contractual Carriage and shall not be a deviation.

(3) By tendering the Goods for Carriage without any written request for Carriage in a specialised Container, or for Carriage otherwise than in a Container, the Merchant accepts that the Carriage may properly be undertaken in a general-purpose Container.

10. MATTERS AFFECTING PERFORMANCE

If at any time the Carriage is or likely to be affected by any hindrance, risk, delay, difficulty or disadvantage of any kind (other than the inability of the Goods safely or properly to be carried or carried further which is provided for in Clause 24 infra) and howsoever arising (even though the circumstances giving rise to such hindrance, risk, delay, difficulty or disadvantage existed at the time this contract was entered into or the Goods were received for Carriage), the Carrier (whether or not the Carriage is commenced) may, without prior notice to the Merchant and at the sole discretion of the Carrier, either :

(a) carry the Goods to the contracted Port of Discharge or Place of Delivery, whichever is applicable, either by the intended or the alternative route to that indicated in this Bill of Lading or that which is usual for Goods consigned to that Port of Discharge or Place of Delivery. If the Carrier elects to invoke the terms of this Clause 10 (a) hereof, he shall be entitled to charge such additional Freight, including extra war risk charge as the Carrier may determine, or

(b) suspend the Carriage of the Goods and store them ashore or afloat upon the Terms and Conditions of this Bill of Lading and endeavour to forward them as soon as possible, but the Carrier makes no representations as to the maximum period of suspension. If the Carrier elects to invoke the Terms and Conditions of this Clause 10 (b) then, he shall be entitled to charge such additional Freight as the Carrier may determine, or

(c) abandon the Carriage of the Goods and place the Goods at the Merchant's disposal at any place or port which the Carrier may deem safe and convenient, whereupon the responsibility of the Carrier in respect of such Goods shall cease. The Carrier shall nevertheless be entitled to full Freight on the Goods received for Carriage, and the Merchant shall pay any additional costs of the Carriage to, and delivery and storage at, such place or port.

If the Carrier elects to use an alternative route under Clause 10 (a) or to suspend the Carriage under Clause 10 (b) this shall not prejudice its right subsequently to abandon the Carriage under Clause 10 (c).

11. NOTIFICATION AND DELIVERY

(1) Any mention herein of parties to be notified of the arrival of the Goods is solely for information of the Carrier, and failure to give such notification shall not involve the Carrier's liability nor relieve the Merchant of any obligation hereunder.

(2) The Merchant shall take delivery of the Goods within the time provided for in the Carrier's Applicable Tariff (see Clause 2). If the Merchant fails to do so the Carrier shall be entitled, without notice, to unpack the Goods if packed in Containers and / or to store the Goods ashore, afloat, in the open or under cover, at the sole risk of the Merchant. Such storage shall constitute due delivery hereunder, and thereupon the liability of the Carrier in respect of the Goods stored as aforesaid shall cease, and the costs of such storage (if paid or payable by the Carrier or any agent or Sub-Contractor of the Carrier) shall forthwith upon demand be paid by the Merchant to the Carrier.

(3) If, whether by act or omission, the Merchant directly or indirectly prevents, delays or hinders the discharge or the delivery of the Goods, any costs, expenses or liability so resulting shall be for its full account.

(4) If the Merchant fails to take delivery of the Goods within ten days of delivery becoming due under Clause 11 (2), or if in the opinion of the Carrier they are likely to deteriorate, decay, become worthless or incur charges whether for storage or otherwise in excess of their value, the Carrier may, without prejudice to any other rights which he may have against the Merchant, without notice and without any responsibility whatsoever attaching to him, sell, destroy or dispose of the Goods and apply any proceeds of sale in reduction of the sums due to the Carrier from the Merchant in respect of this Bill of Lading.

(5) Refusal by the Merchant to take delivery of the Goods in accordance with the terms of this Clause and/or to mitigate any loss or damage thereto shall constitute a waiver by the Merchant to the Carrier of any claim whatsoever relating to the Goods or the Carriage thereof.

(6) In the event the Carrier agrees, at the request of the Merchant to amend the Place of Delivery stated herein, the Terms and Conditions of this Bill of Lading shall continue to apply, only to the extent provided by the Applicable Tariff, until the Goods are delivered by the Carrier to the Merchant at the amended Place of Delivery. If the Applicable Tariff does not explicitly provide for the continued application of the Terms and Conditions of the Bill of Lading then the Carrier shall act as agent only to the Merchant in arranging for delivery of the Goods to the amended Place of Delivery but shall then be under no liability whatsoever for loss, damage or delay to the Goods, howsoever arising.

12. FREIGHT

(1) Freight shall be deemed fully earned upon booking of the Goods for the Carriage and shall be paid and non-returnable in any event. Should the Merchant cancel the booking of the Goods for the Carriage, at any time and for any reason whatsoever, he shall be liable for the payment to the Carrier, its agents, successors, or assignee, of a penalty equal to the value of the Freight, including all charges, costs and expenses deriving from the cancellation of the booking.

(2) The Merchant's attention is drawn to the stipulations concerning the currency in which the Freight is to be paid, rate of exchange, devaluation and other contingencies relative to Freight in the Applicable Tariff.

(3) Freight has been calculated on the basis of particulars furnished by or on behalf of the Shipper. If the particulars furnished by or on behalf of the Shipper are incorrect, it is agreed that liquidated damages shall be payable to the Carrier in accordance with the Applicable Tariff.

(4) The Merchant shall be responsible for the full payment to the Carrier, its agent, representatives, successors or assignees, of the entire Freight due pursuant to this Bill of Lading on the agreed date and for its full amount, without possible deduction or set off of any sort. Merchant irrevocably agrees to waive any right of set-off between the freight and any amount due under a contractual or tortious claim, which he has or may have against the Carrier and/or its Sub-Contractors, agents, officers, employees or assignees, whether or not the claim is related to the Carriage under this Bill of Lading and without prejudice to its right to file such claim subsequently.

(5) Any Person engaged by the Merchant to perform forwarding services in respect of the Goods shall be considered to be the exclusive agent of the Merchant for all purposes and any payment of Freight to such Person shall not be considered payment to the Carrier in any event. Failure of such Person to pay any part of the Freight to the Carrier shall be considered a default by the Merchant in the payment of Freight.

(6) If the Merchant fails to pay the Freight upon the due date, it shall become liable for the payment of a monthly interest at 1,5 % of the overdue amounts, without need of any notice.

(7) Any credit granted by the Carrier to the Merchant shall be subject to the Carrier's Standard Credit Terms, available upon request or on the website (link : <http://www.cma-cgm.com/products-services/shipping-guide/bl-clauses>).

Nothing in this Clause shall prevent the Carrier from recovering from the Merchant the difference between the amount due to him by the Merchant and the amount realised by the exercise of the rights given to the Carrier under this Clause.

14. GENERAL AVERAGE AND SALVAGE

(1) In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, due to negligence or not, for which, or for the consequences of which, the Carrier is not responsible, by statute, contract or otherwise, the Merchant shall contribute with the Carrier in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of the Goods. All expenses in connection with a general average or salvage act to avoid damage to the environment shall always be considered general average expenses.

(2) Any general average on a Vessel operated by the Carrier shall be adjusted according to York Antwerp Rules 1994, at any port or place at the option of the Carrier and in any currency at the option of the Carrier. Any general average on a Vessel not operated by the Carrier (whether a seagoing or inland waterways Vessel) shall be adjusted according to the requirements of the operator of that Vessel, in either case the Merchant shall give such cash deposit or other security as the Carrier or the operator may deem sufficient to cover the estimated general average contribution of the Goods before delivery if the Carrier or the operator requires, or, if the Carrier or the operator does not so require, within three months of the delivery of the Goods, whether or not the Merchant had notice of the Carrier's or the operator's lien at the time of delivery. The Carrier shall be under no obligation to exercise any lien for general average contribution due to the Merchant.

(3) Conversion into the currency of the adjustment shall be calculated at the rate prevailing on the date of payment for disbursements and on the date of completion of discharge of the Vessel for allowances,

(6) If the Merchant contests payment of contribution to general average, salvage, salvage charges and/or special charges to Goods on any grounds whatsoever or fails to make payment of contribution within three months of the issue of the adjustment thereof, whether or not prior security has been provided, the Merchant shall pay interest for the period in excess of three months on the contribution due at two percent per annum above the base lending rate of the central bank of the country in whose currency the adjustment is issued, in addition to the contribution due.

15. BOTH-TO-BLAME COLLISION

If the Vessel comes into collision with another ship as a result of the negligence of the other ship and any act, neglect or default of the Master, Mariner, Pilot or the servants of the Carrier in the navigation or in the management of the Vessel, the Merchant hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying ship or her Owners in so far as such loss or liability represents loss of, or damage to, or any claim whatsoever of the Merchant, paid or payable by the other or non-carrying ship or her Owners to the Merchant and set-off, recouped or recovered by the other or non-carrying ship or her Owners as part of their claim against the carrying Vessel or Carrier. 16. FCL MULTIPLE BILLS OF LADING

(1) Goods will only be delivered in a Container to the Merchant if all Bills of Lading in respect of the contents of the Container have been surrendered authorising delivery to a single Merchant at a single Place of Delivery. In the event that this requirement is not fulfilled the Carrier may unpack the Container and, in respect of Goods for which Bills of Lading have been surrendered, deliver them to the Merchant on a LCL basis. Such delivery shall constitute due delivery hereunder, but will only be effected against payment by the Merchant of LCL Service Charges and any charges appropriate to LCL Goods (as laid down in the Tariff) together with the actual costs incurred for any additional services rendered.

(2) If this is an FCL multiple Bill of Lading (as evidenced by the qualification of the tally acknowledged overleaf to the effect that it is "One of ... part car-goes in the Container"), then the Goods detailed overleaf are said to comprise part of the contents of the Container indicated. If the Carrier is required to deliver the Goods to more than one Merchant and if all or part of the total Goods within the Container consists of bulk Goods or inappropriate Goods or is or becomes mixed or unmarked or unidentifiable, the Holders of Bills of Lading relating to Goods within the Container shall take delivery thereof (including any damaged portion) and bear any shortage in such proportions as the Carrier shall in its absolute discretion determine, and such delivery shall constitute due delivery hereunder.

The Merchant undertakes that the Goods have been properly stowed in the Container and that the thermostatic controls have been adequately set by him before receipt of the Goods by the Carrier and, if necessary, that the Goods have been pre-chilled before the loading into the Container. The Merchant's attention is drawn to the fact that refrigerated Containers are not designed to freeze down Goods which have not been presented for stuffing at or below its designated carrying temperature and the Carrier shall not be responsible for the consequences of cargo presented at a higher temperature than that required for the transportation. If the above requirements are not complied with the Carrier shall not be liable for any loss of or damage to the Goods howsoever arising.

(2) The term "apparent good order and condition" when used in this Bill of Lading with reference to Goods which require refrigeration does not mean that the Goods, when received were verified by the Carrier as being at the designated carrying temperature.

(3) The Carrier shall in no event be held liable for damage to Goods due to condensation.

(4) The Merchant is free to use its own temperature recording device. In no circumstance shall the Carrier be under any obligation to release the extracted data log records of the Container itself to the Merchant or any other Person.

(d) packing refrigerated Goods that are not at the correct temperature for Carriage.

(2) The Shipper is responsible for the packing and sealing of all Shipper-packed Containers and, if a Shipper-packed Container is delivered by the Carrier with its original seal as affixed by the Shipper intact, the Carrier shall not be liable for any shortage of Goods ascertained at delivery.

(3) The Merchant shall indemnify the Carrier against any loss, damage, liability or expense whatsoever and howsoever arising caused by one or more of the matters referred to in Clause 23 (1), save that, if the loss, damage liability or expense was caused by a matter referred to in Clause 23 (1)(c), the Merchant shall not be liable to indemnify the Carrier in respect thereof unless the provision referred to in that Clause applies.

24. CARRIAGE AFFECTED BY CONDITION OF GOODS

If it appears at any time that, due to their condition, the Goods cannot safely or properly be carried (or carried further), either at all or without incurring any additional expense or taking any measure(s) in relation to the Container or the Goods the Carrier may without notice to the Merchant (but as its agent only) take any measure(s) and/or incur any additional expense to carry or to continue the Carriage thereof, and/or sell or dispose of the Goods, and/or abandon the Carriage and/or store them ashore or afloat, under cover or in the open, at any place, whichever the Carrier, in its absolute discretion, considers most appropriate, which abandonment, storage, sale or disposal shall be deemed to constitute due delivery under this Bill of Lading. The Merchant shall indemnify the Carrier against any additional expense and liability so incurred.

25. DESCRIPTION OF GOODS

(1) This Bill of Lading shall be prima facie evidence of the receipt by the Carrier from the Shipper in apparent good order and condition, except as otherwise noted, of the total number of Containers or other packages or units indicated in the box on the back hereof entitled "Total No of Containers/Packages received by the Carrier".

(2) Except as provided in Clause 25 (1), no representation is made by the Carrier as to the weight, contents, measure, quantity, quality, description, condition, marks, numbers or value of the Goods, and the Carrier shall be under no responsibility whatsoever in respect of such description or particulars.

(3) If any particulars of any Letter of Credit and/or Import Licence and/or Sale Contract and/or Invoice or order number and/or details of any contract to which the Carrier is not a party are shown on the back of this Bill of Lading, such particulars are included solely at the request of the Merchant for its convenience. The Merchant agrees that the inclusion of such particulars shall not be regarded as a declaration of value and in no way increases the Carrier's liability under this Bill of Lading. The Merchant further agrees to indemnify the Carrier against all consequences of including such particulars in this Bill of Lading.

The Merchant acknowledges that, except when the provisions of Clause 8 (2) apply, the value of the Goods is unknown to the Carrier.

26. SHIPPER'S/MERCHANT'S RESPONSIBILITY

(1) All of the Persons coming within the definition of Merchant in Clause 1 shall be jointly and severally liable to the Carrier for the due fulfilment of all obligations undertaken by the Merchant in this Bill of Lading, and remain so liable throughout Carriage notwithstanding their having transferred this Bill of Lading and/or title to the Goods to any third party. Such liability shall include but not be limited to court costs, expenses and attorney's fees incurred in collecting charges and sums due to the Carrier.

(2) The Shipper warrants to the Carrier that the particulars relating to the Goods as set out overleaf have been checked by the Shipper on receipt of this Bill of Lading and that such particulars, and any other particulars furnished by or on behalf of the Shipper, are adequate and correct. The Shipper also warrants that the Goods are lawful Goods and contain no contraband.

(3) The Merchant shall indemnify the Carrier against all loss, damage, fines and expenses arising or resulting from any breach of any of the warranties in Clause 26 (2) hereof or from any other cause in connection with the Goods for which the Carrier is not responsible.

(4) The Merchant shall comply with all regulations or requirements of customs, port and other authorities, and shall bear and pay all duties, taxes, fines, imposts, expenses or losses (including, without prejudice to the generality of the foregoing, Freight for any additional Carriage undertaken) incurred or suffered by reason of any failure to so comply, or by reason of any illegal, incorrect or insufficient marking, numbering or addressing of the Goods, or the discovery of any drugs, narcotics or other illegal substances within Containers packed by the Merchant or inside Goods supplied by the Merchant or any stowaways discovered inside the Container and shall indemnify the Carrier in respect thereof.

(5) The Merchant is responsible for returning any empty Container, with interior clean, at the designated place and within 60 days following to the date of delivery, failing which the Container can be construed as lost by the Carrier. The Merchant shall be liable to indemnify the Carrier for any loss or expense whatsoever arising out of the foregoing, including but not limited to liquidated damages equivalent to either the sound market value or the depreciated value due by the Carrier to a Container lessor. The Carrier is entitled to collect a deposit from the Merchant at the time of release of the Container which shall be remitted as security for payment of any sums due to the Carrier, in particular for payment of all Freight detention and demurrage and/or Container indemnity as referred above and may be kept by the Carrier fully or partially. In no case shall this deposit accrue any interest.

(6) Containers released into the care of the Merchant for packing, unpacking or any other purpose whatsoever are at the sole risk of the Merchant until redelivered to the Carrier. The Merchant shall indemnify the Carrier of all loss, damage, injury, fines or expenses caused or incurred by to such Containers whilst in Merchant control and/or until redelivery to the Carrier. Merchants are deemed to be aware of the dimensions of any Containers released to them.

27. SUB-CONTRACTING AND INDEMNITY

(1) The Carrier shall be entitled to sub-contract the Carriage on any terms whatsoever.

(2) The Merchant undertakes that no claim or allegation shall be made against any Person whomsoever by whom the Carriage is performed or under-taken (including all Sub-Contractors of the Carrier), other than the Carrier, which imposes or attempts to impose upon any such Person, or any Vessel owned by any such Person, any liability whatsoever in connection with the Goods or the Carriage of the Goods, whether or not arising out of negligence on the part of such Person and, if any such claim or allegation should nevertheless be made, to indemnify the Carrier against all consequences thereof. Without prejudice to the foregoing every such Person shall have the benefit of every right, defence, limitation and liberty of whatsoever nature herein contained or otherwise available to the Carrier as if such provisions were expressly for its benefit; and in entering into this

contract, the Carrier, to the extent of these provisions, does so not only on its own behalf but also as agent and trustee for such Persons.

(3) The provisions of Clause 27 (2), including but not limited to the undertakings of the Merchant contained therein, shall extend to claims or allegations of whatsoever nature against other Persons chartering space on the carrying Vessel.

(4) Nothing herein contained shall be construed to limit or to relieve any beneficiaries of this Clause from liability to the Carrier for damage, loss and liability arising or resulting from their fault or neglect.

(5) The Merchant further undertakes that no claim or allegation in respect of the Goods shall be made against the Carrier by any Person other than in accordance with the Terms and Conditions of this Bill of Lading which imposes or attempts to impose upon the Carrier any liability whatsoever in connection with the Goods or the Carriage of the Goods, whether or not arising out of negligence on the part of the Carrier and, if any such claim or allegation should nevertheless be made, to indemnify the Carrier against all consequences thereof.

28. VARIATION OF THE CONTRACT

No servant or agent of the Carrier shall have the power to waive or vary any of the terms of this Bill of Lading, unless such waiver or variation is in writing and is specifically authorised or ratified in writing by the Carrier.

29. VALIDITY

In the event that anything herein contained is inconsistent with any applicable international Convention or national law which cannot be departed from by private contract, the provisions hereof shall to the extent of such inconsistency but no further be null and void.

30. LAW

Except as specifically provided elsewhere herein, **French law** shall apply to the Terms and Conditions of this Bill of Lading, and **French law** shall also be applied in interpreting the Terms and Conditions hereof.

31. JURISDICTION

All claims and actions arising between the Carrier and the Merchant in relation with the contract of Carriage evidenced by this Bill of Lading shall exclusively be brought before **the Tribunal de Commerce de Marseille** and no other Court shall have jurisdiction with regards to any such claim or action. Notwithstanding the above, the Carrier is also entitled to bring the claim or action before **the Court of the place where the defendant has its registered office**.
