

CMA CGM Strengths

In addition to its maritime service in Manaus, our group is offering via PROGECO – Subsidiary of CMA CGM, an optimized distribution process from Manaus to Brazil South East Region, together **with its partner FM LOGISTIC**. This Agent Haulage, made under the free zone regime (Resende warehouse being an extension of Manaus free zone) presents various advantages:

- Cargo Flow release
- Advanced stock in South East region
- Just in time delivery
- Saving on local transport by optimisation of equipment

LOGISTIC PROCESS:

- Trucking in Manaus + Cabotage + Rail / Truck up to Resende, performed by PROGECO / CMA CGM Group
- Warehousing in Resende, performed by FM LOGISTIC
- Distribution by truck performed by FM LOGISTIC
