CMA CGM Strengths

- Reliable and rate competitive inland connection services by barge
- Dedicated barge service with high frequency connecting Huangpu with Shekou and Nansha
- Customs clearance (both export and import) is terminal specific, coverage of all major terminals in North Guangdong region offers the most comprehensive barge network in the market
- Flexible transshipment modes (international transit or domestic transit) to fulfill customs requirements
- Multiple routing choices to connect mother vessels at Shekou, Yantian, Nansha and Hong Kong
