Our Strengths

- 2 main gateways connected to Eswatini: Durban and Maputo ports
- No demurrage and detention up to final place of delivery if booked under Carrier Haulage terms
- No container deposit at destination
- 14 days free time in Eswatini only for Carrier Haulage shipments booked under ramp basis
- Transit clearance included. CMA CGM will handle the transit clearance formalities.
- Daily tracking of containers
- Rail option offers greater carrying capacity and is a cost-effective solution
- Truck option is a flexible service perfect for smaller loads
- Dedicated professionals based within in Durban, Maputo and within our new Eswatini office for operation follow-up and sales
- Priority «Hot Box» status at all transshipment ports for all Carrier Haulage containers
- Border / Final Clearance are available upon request
