## CMA CGM Strengths

In addition to worldwide maritime coverage, CMA CGM can also offer to their customers an extensive inland coverage connecting main ports of call to/from any inland destination in Mexico:

- Dedicated inland hubs/depots;
- Possibilities to perform customs clearance at main inland locations (rail moves)
- Differentiate cargo weight restrictions when moved by rail.
- Reliable and competitive inland connections to/from both Atlantic and Pacific main ports.
- Premium Inland Haulage Service in Gulf Ports - Service with special security measures and GPS tracking - under consult;
- Special Inland solutions for automotive industry;
- Possibility to move OOG and overweight cargo - under consult;
- Tailor-made solutions for special projects including X-border moves to/from US.
