

CMA CGM Strengths

- In addition to complete maritime coverage in north of Brazil area, CMA CGM is able to offer green and sustainable barge connections to main river ports in the region.
- Vessel space priority and equipment availability based on forecast agreement
- Fast connection and regular barge departures with secured capacities
- Competitive inland rates
- Additional available services: road transport (last mile service), fumigation, storage, stuffing and customs clearance.
- Special D&D conditions when cargo under TBL
- Track & Trace of cargo movements
- OOG cargo possibilities under consult
- Own agency network dedicated and well qualified staff in the region
