

CARING BEYOND SHIPPING

CMA CGM Group's strategy rests on 'Shipping The Future', with the customer at the heart of this thinking. Everything we do revolves around this philosophy, helping make the customer's journey with us, beyond seamless. Our customer centric philosophy is guided by a powerful principle that we call 'Caring Beyond Shipping'.

As it is always our endeavour to deliver sustainable and rewarding customer experiences. Caring Beyond Shipping implies that we understand you better, listen to you more and are able to anticipate your needs and improve your overall experience so as to ensure we always exceed your expectations. It also means that we aim to satisfy your needs and that of every other customer. We do so by delivering unmatched quality and value through consistent, innovative, rewarding and customized business growth solutions.

Now, more than ever, our customers are at the heart of what we do as we continue to Ship The Future. Together, we will continue Shipping The Future.

CMA CGM PROJECT CARGO DIVISION

EXCEEDING YOUR BIGGEST EXPECTATIONS

ABOUT CMA CGM

CMA CGM, headed by Rodolphe Saadé, is a worldwide leading shipping and logistics group. Employing over 110,000 people worldwide, the Group is present on all five continents through its 755 offices, in more than 160 countries. CMA CGM serves 75% of commercial ports with its fleet of 500 vessels. As a long-standing pioneer in emerging markets – from China in the 1990s to Africa in the 2000s – CMA CGM is one of the key players driving globalization.

Today, CMA CGM presents global solutions for the transport of goods. Our maritime, inland and logistics options are conceived to provide our clients with turnkey transport solutions, in alignment with their needs.

Since its creation, CMA CGM's goal remains the same: to constantly reinvent shipping, by always looking for better solutions for our clients, while respecting people and the planet. With CMA CGM celebrating its 40th anniversary in 2018, the Group is more than ever ready to continue 'Shipping The Future'.

CMA CGM transports all types of oversized cargoes from delicate shipments such as train and yachts to large and heavy equipment such as turbines, engines and factory components. Our high, specific, technical and commercial expertise enables us to load up to 500t exceptional cargoes.

EXCEEDING YOUR BIGGEST EXPECTATIONS

DEDICATED TEAM

Each project cargo shipment is coordinated by a dedicated project manager as single points of contact available 24/7 supervising all aspects of the contract execution. Our 7 specialized teams of the Project Cargo division are present in Europe, China, Brazil, USA, Middle East and South Africa.

TECHNICAL EXPERTISE

CMA CGM owns a large fleet of flat rack, platform and open top containers to efficiently transport to destination oversized and overweight cargo up to 500 tons like rail machines, reels, heavy machinery, boats and yachts.

OPERATIONAL EXCELLENCE

Our dedicated team of technical and commercial project shipping professionals deliver best-in-class consulting, planning and execution of ocean transportation for your project cargo. In 2019, the CMA CGM Project Cargo Division has achieved over 1,000 tailor-made projects, all adapted to project constraints and requirements: route, ground equipment, licenses and permissions, schedule...

SAFETY

Our 310,000 equivalent Teus of Breakbulk & Out of Gauge and our technical know-how for safe and secure handling of your cargo will ensure the ideal transport for your special project: lashing, cargo surveying, port liaison, adapted loading and unloading equipment are duly monitored during all project stages.

GLOBAL COVERAGE

Our efficient loading and discharging capabilities in over 420 ports combined with CMA CGM's more than 200 line services guarantee regular sailings and short transit times.
