【EXPORT & IMPORT】Notice of Free-Time during the New Year Season

Dear Valued Customer,

Please be advised that CY Open / Cut-off dates during the New Year Season will be updated on the following website.

Website: https://vessel-schedule-service.com/cmacgm/vessel-schedule?tab=2
CY OPEN/CUT LIST

Our normal standard tariff will be fully applied during the New Year Season, regardless of the special free-time set by each terminal. When cargo is gated in or picked up beyond the free-time of our tariff, demurrage and detention will be invoiced.

Calendar days setting: No days are excluded.
Working days setting: Saturday/Sunday/Holiday are excluded
(Exclusion Dates) 26(Sat) December 2026
27(Sun) December 2026

1(Fri) January 2027 *Public holiday
2(Sat) January 2027
3(Sun) January 2027

If the free-time has expired before the above mentioned date, the exclusion date does not apply and demurrage and detention charges will be applied.

In addition, it is highly likely that all the terminals will be heavily congested in this period. Therefore, we would like to ask for your kind cooperation in handling your valued cargo within the decided free-time.

Thank you for your continuous support to CMA CGM Group.

Should you have any inquiry, please contact our Customer Service.
