EAGLE EXPRESS X (EXX) EXCEPTIONAL, EXPEDITED, EXCLUSIVE SERVICE FROM CHINA TO LOS ANGELES

Designed for your time-sensitive shipments, EXX offers you speed-to-market, peace of mind and a fuss-free experience, all in a single, exclusive package.

Leverage EXX as the sustainable* and cost-effective alternative to air freight.

*Lower CO₂ emissions compared to air freight, calculated based on Clean Cargo Carbon Emissions Accounting Methodology for Shanghai to Los Angeles: 0.8 tonnes/TEU by EXX vs 67 tonnes/TEU by air freight.

EXPEDITED SHIPMENT

- Fast transit – 11 days from Shanghai; 12 days from Ningbo
- Greater operational efficiency with smaller vessel
- Cargo directly discharged to chassis within the day, vs industry average of 3 days
- Dedicated EXX container yard for expedited cargo pick-up
- Truck turnaround time of just 60 minutes

EXPLOIT A STRATEGIC ARRIVAL

- Berths at CMA CGM owned FMS terminal, with priority given to EXX shipments over other services
- Arrives on a Monday and discharged on Tuesday, perfect for retailers looking to minimize weekend labour costs and prepare for midweek or weekend sales

EXCLUSIVE SPACE & EQUIPMENT

- Space and box assured when loading from Asian ports, stowed on board for priority discharge in Los Angeles
- Dedicated pool of chassis to discharge cargo directly on wheels

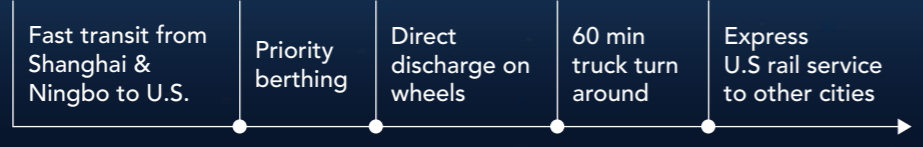

EXTRAORDINARY SERVICE

- Local concierge service at origin and destination, with global expertise, overlooking from booking to delivery and pick-up
- Customer support for shipping Dangerous Goods (DG), including hands-on issue resolution for shipment delays, safe DG loading guidance, and documentation assistance
- Proactive monitoring and notification of shipment status throughout the journey

GAIN A COMPETITIVE ADVANTAGE

Propelled by time saved at every point:

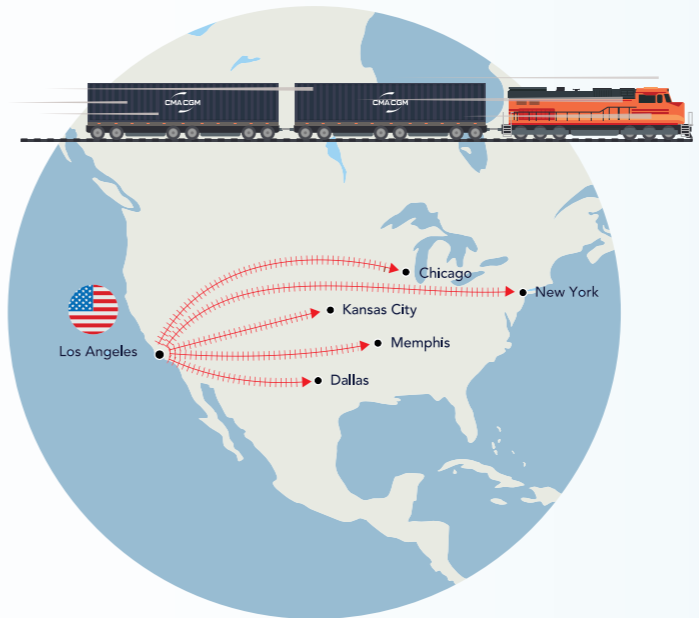

X-LOCATION

Connect from origins across China

- Enjoy the convenience of our intermodal service connecting you from various China inland cities via rail, such as Chongqing, Nanjing, Nanchang, Wuhan, Xiaoshan and Yiwu

EXX RAIL FLASH

Express rail to inland ramps

- Guaranteed rail space served by U.S. Post Parcel
- Daily rail departures from Los Angeles to inland destinations – Kansas City, Dallas, Memphis, Chicago and New York
- Discharge from vessel within 12 hours from berth
- Save at least 3 days from industry's typical total transit time between China and the U.S. inland
