LOCAL TARIFF BOOK – 2021

Dear Customer,

To help you organize your business with CMA CGM lines, please find hereafter our book for local charges document for all ports in Tanzania to be applied from 01st of January.

This Tariff Book includes:

-  All Import pertaining charges.
-  All Export pertaining charges.
-  Detention Fees and Free Period.
-  Glossary of the charges.

Should you need any further clarification please do not hesitate to contact us through your normal point of entry for CMA CGM at our reception and ask for appointment.

This tariff Book may be subject to change in the future based on the evolution of the local market and regulations with a 1-month pre-notice to our customers.

This Tariff book is elaborated in conformity with TASAC regulation and latest Order ref AC59/237/01.

You can also find complementary information at any time on our NEW LOCAL WEBSITE.

www.cma-cgm.com/local/tanzania/about-us

On behalf of our entire team, we wish to thank you for your continued support.

GLOSSARY-

1. **Import Container Deposit local/ transit:** *Applicable to all imported units that are unpacked outside port terminal. This is to ensure empty container is returned within agreed time frame and in good conditions. Container deposit amount will be fully refunded to customer upon container return to terminal or appointed depot and all checks done to confirm container conditions as well as any outstanding invoice cleared.*
2. **Lift On/ lift Off Fee:** *Charge applicable for imports to cover costs billed to the shipping agent by the local port authorities.*
3. **Stripping charges:** *A charge due to a process in which a landed container is unsealed (usually in the presence of customs) and all its contents are taken out. Also called unsnuffing/unloading of container. Process of removing cargo from the container. Mostly applicable for LCL (Less Container Load) cargoes.*
4. **Drop Off Fee - Merchant Haulage:** *Applicable for all merchant haulage transit cargo which empty is intended to be dropped out of Tanzania*
5. **Export Documentation /Bill of Lading Fee:** *Covers all export documentation including manifest and BL issuing in case customer wishes to issue BL in Tanzania*
6. **Export Container Deposit:** *Applicable to all empty units released for export packing outside the port/depot terminal. Same will be fully refunded upon full return to terminal in good conditions.*
7. **Bill of Lading Amendment fees:** *Applicable whenever amendment to export OBL is required or information was submitted late after Printing of original documentation (OBL).*
8. **Import Detention Charges:** *Charge collected to cover for costs associated with the idle time of container. Same is applicable per day just after free period expiring date till empty return to terminal or appointed depot.*
9. **Export Detention Charges:** *Charge collected to cover for costs associated with the idle time of container. Same is applicable per day and after free period expiring date until full return at terminal.*
10. **Second Seal fee:** *Applicable whenever a second seal is requested by the customer to replace an import seal broken by customs or any other authority including customer or its appointed agent or on export side after initial seal released to customer.*
11. **Manifest correction/Amendment:** *Applicable whenever amendment to manifest is required or information was submitted late.*
