Control and Security Management System

We are part of an international corporate group with a long history and prestige at global level. We are committed to differentiating ourselves through personalized shipping agency services, with a high level of quality, as well as the practice and development of ethical values and social responsibility.

We are committed to:

- Comply with legal and regulatory requirements applicable to our business activities.
- Protect our customers information by promoting security in the use of information technologies.
- Prevent our services from being used for illicit activities such as corruption, bribery and money laundering.
- Maintain the integrity of the cargo and our processes and continually improve our control and security management system.
