Subject: Canada Intermodal Service

CMA CGM Canada is pleased to announce a new multi-year partnership with the Canadian Pacific Railway (CP) who offers a suite of transport services connecting with major ports on the East and West coast of Canada and United States.

This partnership represents a milestone for CMA CGM Canada offering intermodal service with CP and Canadian National Railway (CN), effective July 1st all export and import cargo will move as follow:

Port	Terminal	Railway
Montreal	Montreal Gateway Terminal (MGT) Racine & Cast	CP
Halifax	PSA	CN
Prince Rupert	DP World	CN
Vancouver	DP WORLD - Centerm Terminal	*CP
	Global Container Terminals (GCT) - Vanterm Terminal	**CN
	Global Container Terminals (GCT) - Deltaport Terminal	CP
	DP World - Fraser Surrey Dock	CN
***St. John	DP WORLD	CP
*CN serve Detroit, all others CP		
**CP serve Vanterm to Chicago, Minneapolis and Montreal, all others CN		

To make this transition smooth to our customer we put at your disposition below valuable information, guidelines and links
