THE CMA CGM GROUP

Founded in 1978 by Jacques R. Saadé, CMA CGM is a leading worldwide container shipping Group and the leader in France.

From its base in Marseille, the CMA CGM Group is present in more than 160 countries through its network of over 600 agencies and serves 75% of the world’s commercial ports with its fleet of 536 vessels.

A pioneer in emerging markets - from China in the 1990s to Africa in the 2000s - CMA CGM is one of the key players driving globalization.

Leveraging a fleet equipped with cutting-edge technology, CMA CGM also invests in complementary services to offer customers door-to-door solutions covering the entire transport chain: port and logistics operations, inland waterway, rail and road transport.
