COVID-19: Situation in Hungary (Update #1)

The current COVID-19 Outbreak spread is affecting the whole supply chain worldwide, raising potential major challenges.

The CMA CGM Group's priority is to ensure the health and safety of our staff members and partners, while ensuring a smooth business continuity despite the current extraordinary disruptions. We remain determined to ensure the delivery of a seamless customer experience, as much as the current conditions allows it.

On this page, you will find all the necessary information about [Hungary] and our dedicated team of experts remains at your disposal to provide you with tailor-made solutions.

Business Continuity Plan

[Option 3: BCP activated]

In line with the directives from the Government and from the CMA CGM Group, [some of our] staff members are now working remotely.

We have activated our Business Continuity Plan and are operating in full capacity. We have limited opening hours to handle the Original Bill of lading (until further governmental measures taking place)

Monday: between 14-15.00 hrs  
Tuesday: between 14-16.00 hrs  
Wednesday: CLOSED  
Thursday : between 14-16.00hrs  
Friday: CLOSED

Our team is available by email and on [their usual office numbers / mobile phones].

Operational situation in [Country]

All our services are operational. Our depots are fully functional. Container deliveries are taking place. 

Due to the border closures the access to the country with truck is really limited and takes long time for crossing.]
Make use to the largest extent possible of the numerous e-business opportunities CMA CGM can offer on My CMA CGM

[remove any options that are not available in your country]

While governments worldwide are encouraging people to stay at home to limit the spread of the Covid-19, you can continue managing your shipments remotely thanks to our ebusiness platform My CMA CGM.

- **My Prices** – retrieve existing rates or obtain new instant quotation when no reference is available
- **E-Transactions** – place your bookings and manage your documentation on the platform
- **Remote printing of Bill of Lading (BL)** – no need to visit our counter, print your Original BL by yourself
- **Paperless Bill of Lading** – a fully digital Original BL, same value as paper but easier, faster, more secure and 100% digital
- **E-Delivery Order** – get your delivery Order online in deployed countries
- **Other tools available on My CMA CGM** – discover more tools to help you organize, follow and manage your shipments and shipping transactions end-to-end from anywhere around the world
- **Mobile app** – track, trace and plan your shipments directly via your mobile phone

Similar tools to the above are also available through APL, ANL and CNC.
