Ocean Carrier ISPS Surcharge Update - All Trades

Dear Valued Customer,

CMA CGM informs its customers of the updated amounts of the ISPS (vessel) surcharge.

The Ocean Carrier ISPS (International Ship & Port facility Security code) Surcharge, identified in our Charges Finder tool under "ISS01", will be updated as follows:

Effective from April 15th, 2019 (date of loading in the origin ports) until further notice

- USD 14 / EUR 12 per unit for all trades
- Applicable on top of freight
- Prepaid/Collect (except for Taiwan: payable elsewhere)

(*)The associated basic freight rates are available here: [https://www.cma-cgm.com/ebusiness/tariffs/finder](https://www.cma-cgm.com/ebusiness/tariffs/finder)  Bunker-related surcharges, THC (Origin and/or Destination), Peak Season charges and similar charges and other Safety and Security-related surcharges may also apply and are accessible at [http://www.cma-cgm.com/ebusiness/tariffs/charge-finder](http://www.cma-cgm.com/ebusiness/tariffs/charge-finder)  Other charges such as contingency charges and local charges may be applicable.

Please contact your local CMA CGM office should you require information about any other pricing information

Yours Faithfully
