TEMPORARY BAN OF PLASTIC SCRAP TO VIETNAM & THAILAND

Dear Valued Customer,

Please be advised of temporary banning of plastic scrap shipments into all ports in Vietnam & Thailand with immediate effect.

Considering the recent measures taken by the government authorities and ports to tightly restrict plastic scrap imports, this decision has been made to avoid long idling of future plastic scrap import containers.

We wish to stress this is a temporary ban, and once there is sufficient progress in clearing the backlog, we will provide an update and resume bookings.

Thank you for your continued support. Should you have any questions or concerns regarding this change, please contact your local CMA CGM sales representative.

Sincerely,
CMA CGM (Japan) K.K.
