Empty container(s) clean and in good condition is (are) to be returned to the nominated depot, otherwise the forwarder will be charged for the cleaning of the container at Hamburg.

Empty REEFERS must be cleaned by an authorized company which has to issue respective certificate indicating chemicals used for cleaning.

- Relevant certificate should be sent to our office
- In case above document is missing the forwarder will be charged for container washing

Inquiries about the possibility of redirecting the empty containers for export should be sent only to the e-mail address: gdy.triangulation@cma-cgm.com

The inquiry must contain the following information:
1. Container number
2. Booking number
3. Destination port *
4. Cargo
5. Date of taking over the container for export (it is the same date as the container’s unstuffing date)

*NO POSSIBILITY TO REDIRECT EMPTY IMPORT CONTAINERS FOR EXPORT TO IRAN. PLEASE DO NOT SEND INQUIRIES.

Conditions of redirecting the containers:
- export booking has to be confirmed by CMA CGM office export department prior to enquiry
- booking party / forwarder takes over a responsibility for a technical condition of a container designed for stuffing
- booking party / forwarder takes over responsibility for a correct size/type of a container
- CMA CGM recommends to seal the right door of a container. Seals are available at our Gdynia office during working hours: 8 – 16 hrs.

Attention
Date of the stripping of the container is treated as the first day of export booking with all financial consequences for both sides.
