SUBJECT: ADVISORY # 589 | REGULATION IN TANZANIA | WEIGHT RESTRICTIONS_UPDATE

Dear Valued Customer,

Our advisory #574 mentioned the announcement made by Tanzania authorities on changes in the maximum weight permissible for all containers moving to and from Dar Es Salaam port via road. On February 27th, the Ministry of Works, Transport and Communications has put on its website a public notice clarifying the restrictions.

To help clarify the information on that matter, we report hereafter the link of the public notice: <http://www.mwtc.go.tz/pressreleases>.

Once again, CMA CGM invites all shippers to verify all regulation dispositions and coordinate with consignee.

More information on the Vehicle Load Control Act, 2016 can be found on the Ministry website, www.mwtc.go.tz
CMA CGM will not be responsible for any charges, fines or penalties associated with overweight or unevenly distributed weights inside the container.

Should you have any further query, please do not hesitate to contact your usual local sales person.

We thank you for the support to CMA CGM Group services,

CMA CGM North South Lines_Africa
