THE BEST OF SHIPPING

CMA CGM

POWERED BY  
**CMA CGM**

*« Ocean Alliance is the largest operational agreement ever made between shipping companies. With more than 40 maritime services, we will be sharing our fleet with the largest Asian shipping companies.*

*By offering more ports and more direct calls, as well as better transit times, we will provide our customers with unmatched quality services.*

*This new offering is a cornerstone of our strategy as it reinforces our competitiveness and strengthens our position as a key player in the shipping industry. »*

Rodolphe SAADE  
Vice-Chairman of the CMA CGM Group

## Ocean Alliance

- **4 renowned partners**
- **Global** alliance with services available on the group's major trades : Asia-North America, Asia-North Europe and Asia-Mediterranean
- The **largest service** offering with 40 services on East-West trades
- A **stable and solid** alliance :
  - signed for 10 years between strong partners
  - 40 services and 323 vessels
- An **efficient** alliance :
  - Improved transit times on many services
  - # 1 Alliance of the Transpacific trade
  - Greater coverage in terms of the number of ships, ports, loops and port pairs

## Powered by CMA CGM

- A **leader** : 119 vessels provided by CMA CGM
- A **Customer-focused** company:
  - Expertise of staff by areas and sectors and a centralization of decisions ensuring rapid response and tailored solutions
- A **strategic advantage** :
  - Intermodal : strong network with dedicated trains, barges and inland depots/door-deliveries options
  - Reefer : superior global expertise
