

COVID-19: Situation in CMA CGM UK

(Update #1)

The current COVID-19 Outbreak spread is affecting the whole supply chain worldwide, raising potential major challenges.

The CMA CGM Group's priority is to ensure the health and safety of our staff members and partners, while ensuring a smooth business continuity despite the current extraordinary disruptions. We remain determined to ensure the delivery of a seamless customer experience, as much as the current conditions allows it.

On this page, you will find all the necessary information about CMA CGM UK and our dedicated team of experts remains at your disposal to provide you with tailor-made solutions.

Business Continuity Plan

In line with the directives from the Government and from the CMA CGM Group, all of our staff members are now working remotely.

We have activated our Business Continuity Plan and are operating in full capacity.

Our team is available by email and our management team are available by email and mobile phone.

Operational situation in UK

All our services are operational.

Our depots are fully functional.

Terminals are in activity, with minor disruptions in some of them due to shift work.

Container deliveries are taking place.

Make use to the largest extent possible of the numerous e-business opportunities CMA CGM can offer on My CMA CGM

While governments worldwide are encouraging people to stay at home to limit the spread of the Covid-19, you can continue managing your shipments remotely thanks to our ebusiness platform [My CMA CGM](#).
