The screenshot shows the 'My Prices - Results' page on the CMA CGM website. At the top, there are navigation links like 'The Group', 'Careers', 'Investors', 'Sustainability', 'IMO 2020', 'Corporate website', and 'NETWORK'. Below that, there are links for 'Our Offers', 'Services', 'Routes & Pricing', 'Transport Management', 'Digital Services', 'News', and 'Help'. The main content area is titled 'My Prices - Results' and includes a search bar with 'LE HAVRE, FR -> SHANGHAI, CN' and a date 'Standard | 18 Dec 2019'. There are buttons for 'Modify Search' and 'Get an instant quotation'. Below the search bar, there are filters for 'Prices display components' with checkboxes for 'Ocean Freight', 'Freight surcharges', 'Export surcharges', and 'Import surcharges'. The results section is titled 'VALID OFFERS - EXACT MATCH' and shows a table with columns for 'VALID UNTIL', 'POL', 'WITH TRANSHIPMENT', 'POD', and 'ALL IN RATE'. The table contains one row with the following details: '31 DEC 2019', 'LE HAVRE, FR', 'WITH TRANSHIPMENT' (checked), 'SHANGHAI, CN', and 'ALL IN RATE'.
